

Career Technical Education CBAC

Keller ISD – Casey Stone, Director of CTE, Innovation, &
Virtual Learning

KISD CTE Concerns

- Need to bolster CTE facilities to deliver Career Readiness
- Competition with districts that offer CTE facilities and Virtual courses
- Need to relieve pressure on high school classrooms
- Need to leverage community partnerships and engagement

KISD CTE Goals

- Industry standard career labs
- Intrinsically motivated learners
- Robust and versatile virtual course options
- College and Career-ready graduates
- Knowledge and skills relevant to the dynamic workplace
- Programmatic self-sufficiency
