

## Needs Assessment, District Improvement Plan Keller ISD 2013-2014

Please reflect on the following questions. Keller ISD will be conducting sessions in early summer to re-examine the five-year strategic plan, and we would appreciate your input.

What is the greatest strength of the district, as demonstrated by academic performance data, extracurricular performance data and your informal observations?					
data, extracarricular performance data and your informal observations:					
What is an area of weakness or vulnerability for Keller ISD, as demonstrated by recent academic data and your informal observations?					
Based on previous year data and your interactions with staff, community members, and students, what concerns you most about next year?
