2010-11 Campus Teachers of the Year

Keller ISD campus staffs have each chosen a 2011 Teacher of the Year to represent their respective schools. These 38 outstanding recipients are currently participating in an extensive Texas State Teacher of the Year application process. After a designated committee reviews the applications, ten finalists will be selected – five elementary teachers and five secondary teachers. KISD Administrators will then conduct interviews with each finalist from which the 2011 Elementary and Secondary Teachers of the Year will be determined.
