Dr. James Veitenheimer
Superintendent

Dear James;

I want to personally thank you for the work you do each and every day in support of Keller ISD students. Your contribution to the success of this district is greatly valued. Your commitment to this organization is evidenced by your professionalism and hard work. In addition, your evaluation reflects that you meet or exceed expectations in all domains.

The Board appreciates and accepts your recommendation to not extend your current contract for an additional year. Your current contract runs to June 30, 2013.

I want to emphasize that this decision is being made based strictly on financial considerations and is not a reflection of poor performance. We truly value you as our Superintendent, and believe this district is a better place because of you and your efforts.

Thank you for your leadership through these very difficult times.

Sincerely,

Cindy Lotton
Board President
