

John Richard Price 2010 Inductee

John Richard Price was an institution at Keller Middle School for 27 years, splitting his love between teaching Texas History and coordinating the campus' athletic program. Joining what was then Keller Junior High in the fall of 1974, Price coached the Comanche's football, basketball, cross country and track teams and left an impression on nearly every student who passed through the school's halls whether they were an athlete or not.

Coach Price realized that the task of educating and leading students was not his alone, and as such was devoted to providing opportunities for his fellow coaches and assistants to be in the best position to assist student-athletes. Coach Price inspired a long list of future coaches and teachers during his time in Keller and impacted an innumerable amount of Keller Middle School students' lives by his care, consideration and enthusiasm.

John Price exemplifies the spirit of the Keller ISD Athletic Hall of Fame. He was committed not only to on-the-field success, but to developing the complete student-athlete that would succeed in the game of life.

Never wanting to stray too far from the classroom, coach Price continues to be a part of Keller ISD community, attending local sporting events while also making the occasional guest teaching visit to a KMS Texas History Class.

*John Price will be honored at the Keller ISD Hall of Fame banquet, May 16, 2010 at Texas Motor Speedway Club.

Hall of Fame Night Includes

The night's events will include the recognition of the Keller ISD Circle of Champion teams, their coaches and All State Qualifying athletes and teams.

Special Recognition will also be given to an individual that has given time and service to the Keller ISD Athletic Department.

The evening will also highlight the Middle School Boys and Girls Coach of the Year from each campus.

One of the most important parts of the evening is the Silent Auction to raise funds for scholarships for the district's outstanding senior athletes.
