VISTA RIDGE MIDDLE SCHOOL BAND

CONGRATULATIONS! WELCOME TO THE BAND FAMILY!

CLARINET

Recommended Instrument: Buffet Model E11 *with Rico Reserve XO mouthpiece
Advanced Choice: Buffet Model R13

***** These are the ONLY Recommended models for the Vista Ridge Middle School Band *****

Clarinets are arguably the most difficult instruments to get to sound identical to each other in a band setting. Because of this major factor, it is essential that **ANY VARIATION** of instrument or mouthpiece must be approved by the band teachers **BEFORE** the rental or purchase of an instrument. Any variation approved must be made of wood or Grenadilla. Plastic clarinets simply cannot produce the correct sound for a child's success.

Required accessories: (Reeds will have to be purchased throughout the year.)

- BG Revelation ligature (holds reed on the mouthpiece)
- Clarinet reed guard (holds and protects 4 reeds to help them last longer)
- SILVER Box of Vandoren #3 strength reeds
- Mouthpiece teeth patch (to help with stability and comfort while playing)
- Thumb Eez brand thumb guard
- Silk clarinet drop swab (cleans the inside of the instrument after each use)
- Cork grease (needed for maintenance)
- Digital metronome/tuner- Korg TM60
- Peterson Microphone Pick-up TP2
- Essential Elements method book
- 1 and a ½ inch three-ring hard-back binder with pencil pouch and pencils

Other Recommended accessories:

BG C90LP “cool strap” Neck strap to help support instrument

Wire Music stand (This helps ensure proper playing technique while practicing at home)

Pack-A-Stand (clarinet stand to place clarinet on floor while not playing)
