The goal of Keller ISD's athletic programs is to enhance academics and develop positive character traits among students while inspiring confidence and a winning attitude.

Supporting a belief that a well-rounded student is of sound mind and body, athletics is a showcase for competitiveness, individual talent and good sportsmanship.

KISD's Athletics Department oversees the district's full range of athletic programs, which begin at various grade levels and include football, volleyball, tennis, basketball, baseball, softball, track, wrestling, swimming, cross country and golf among others.

Required Forms for 2017-18 Athletics Participation:

- UIL Physical and Medical History Forms
- Required Athletics Electronic Forms**
