

Statement of Expectations:

The Keller Independent School District believes that being involved in extra-curricular activities is an honor. Participation in one or more of these activities should be considered a privilege, not a right.

The following are expectations of our students:

- ✓ Obtaining a quality education is the primary reason for attending school.
- ✓ Compete at the highest level while promoting good sportsmanship and courteous behavior.
- ✓ Exhibit positive leadership.
- ✓ Develop and maintain high morals and ethical values.
- ✓ Exhibit conduct becoming of a young lady or gentleman.
- ✓ Exhibit respect to coaches, faculty, officials, opponents, and fellow students
- ✓ Develop and show school pride.

Standards for District Extra-Curricular Activities

Keller ISD students are expected to adhere to the *District Student Code of Conduct* as it applies to school-related and/or school-sponsored activities. Prior to participation in a Keller ISD Extra-Curricular activity, students and parents must also agree to abide by all guidelines outlined in the *Extra Curricular Code of Conduct*. Students involved in extra-curricular activities are expected to maintain high standards of ethical conduct. Extra-curricular participation is a privilege and not a right. Any misconduct that reflects negatively on the Keller Independent School District will fall under these Codes of Conduct. These guidelines are developed to deal with misconduct that occurs within the school’s jurisdiction as well as outside of the school’s jurisdiction, regardless of time or location. Disciplinary action or suspension will be mandated to students who are involved in any disciplinary infraction on or off campus, including, but not limited to, possession or use of drugs, improper use of prescription medicines, alcohol or tobacco, violent behavior, any inappropriate behavior including presence at functions where illegal substances are being consumed and other offenses that result in the violation of the district Student Code of Conduct, which in turn results into ISS (other than tardies or dress code), DAEP, Off Campus Suspension or expulsion. In the event that a student is responsible for multiple violations prior to the initial investigation, it may be determined that a higher-level consequence be deemed appropriate.

Administrative Procedures for the Keller ISD Code of Conduct

The Keller Independent School District has adopted the following administrative procedures to deal with violations of the *Extra-Curricular Code of Conduct*.

All violations will adhere to the following policies:

1. Confirmation that a violation has occurred via one of the following:
 - A. Report from a law enforcement agency
 - B. Personal disclosure by the participating student or parent/guardian
 - C. Observed behavior by a school employee
 - D. An investigation may be initiated if a KISD representative receives credible and specific information.
2. Notification by administrative designee to parents or legal guardian within 72 hours
3. Notification by activity sponsor to campus principal or assigned administrative designee within 72 hours.

4. Meeting with parent, student, and discipline panel, which consists of the sponsor/director/head coach and administrative designee.
5. The head coach and campus administration will determine the level of discipline that will be assigned. Copies of the meeting summary will be sent to the activity sponsor, campus principal, and district-level director.
6. **Appeals:** Contacting the appropriate campus principal will initiate the appeal process. This must be done in writing and within 72 hours of the conclusion of the initial discipline hearing.

Cumulative Offenses (specific to grades 7-8 and 9-12)

Disciplinary offenses committed in grades 7 and 8 are cumulative for a student's middle school career but will not carry on to high school. Any subsequent offenses that occur in high school will be cumulative during the student's high school career.

It is an exception to this rule if the district receives credible evidence indicating that a middle school student committed an act involving the elements of a Class A misdemeanor or a felony. In this case, the offenses will carry from grade 7 through the completion of grade 12.

Cumulative offenses prior to the initial investigation

If a student is responsible for multiple violations prior to the initial investigation, it may be determined that a higher-level consequence be appropriate.

Categories for Code of Conduct Offenses
