#### ***Fan Access to KISD Stadium:***

Home side parking is located on the west side of the Keller ISD Athletics Complex and in the overflow lot northwest of the stadium. Visitor parking is located on the east side of the stadium and in the overflow lot northwest of the stadium.

- Home fans must enter the stadium on the home side (N. Pate Orr Road) gates.

- Re-entry into the stadium: If fans leave the stadium, they will be required to purchase a new ticket to re-enter. At the beginning of the 4th quarter, there is no entry into the stadium for any reason.

#### ***Field Access:***

All photographers and media requests will need to be requested through Diana Whitehead (817-744-1066) a minimum of 48-hours before the game time. A 2021-22 blue field pass must always be showing. Sideline passes will be available for pick up at the will-call window on the home side. Field passes will be returned to the table at the elevator, Athletics Directors, or stadium managers after the game.

Photographers, media, college scouts will be allowed field access but must stay behind each endzone. Additionally, photographers and media are not allowed in any parts of the sidelines with student-athletes.

Helmet/run-through crew helpers will be allowed onto the field to set up and take down the run-through. They must have a colored field pass for entering. That field pass will get only one person onto the field.

Team doctors are part of the medical staff and are allowed on the sideline with full access.

No unsupervised students or children are allowed access on the game field, sidelines, track area, or behind the end zones.

Adults leading a performance group – football team, band, cheer, drill team, etc. – do not need a field pass if they enter with their respective group and wear school/program clothing.

All student photographers and video crews must have a field pass. The campus principal can request sideline passes through the Athletics Directors only. Students not accompanied by an adult with a field pass or not working as a ball boy will not be allowed on the field.

At the end of the game, no spectators will be allowed on the field for any reason.

### ***Tailgating:***

Keller ISD recognizes that many fans may be interested in getting to the games early to tailgate in the parking lots. Therefore, this year's tailgating policies for Keller ISD Stadium are as follows:

1. Home side fans – set up in the south parking lot on the home side (see on-site signage for reference).
2. Visitor side fans – set up along the eastern edge of the visitors' parking lot along Rufe Snow. (see on-site signage for reference).
3. All spaces are first-come, first-serve. Tailgating spots may not be occupied before 4:30 p.m. for night games.
4. Use no more than three (3) parking spaces.
5. If desired, you may place the name of your organization on your table(s).
6. No handouts or flyers may be distributed to fans or placed on vehicles.
7. Food preparation should be limited to those you have invited or expect to attend. (This provision is in place so we can continue to support our band and athletics concession.)
8. Food items should not be for sale.
9. Alcohol is not allowed on any KISD property as per state law. All violators will be escorted off the property by Keller PD and prosecuted to the extent of the law.
10. Please remove all trash when leaving your area and secure all cooking devices.

### ***Signage:***

Signs may support your team, but signs mentioning your team's opponent will not be allowed. KISD administration will determine the proper placement of signs.
