

EVERYONE CAN BACK THE FUTURE

BECAUSE ANYONE CAN JOIN PTA

Keller ISD PTAs are the active voice that unites everyone in our diverse community to advocate and impact the decisions that affect the health, safety, and quality of education of every child at the local, state, and national levels.

Anyone can join us and support the educational programs for parents and students, arts in education, advocacy for legislation, family engagement, community involvement, college scholarships, as well as district-wide educational financial support through Casey's Kids.

#YouCanPTA through membership at JoinPTA.org.
