

Keller ISD Athletics Sponsorship Packages

Keller ISD Athletics offers sports programs that help develop the whole student through athletics. KISD athletics programs will provide student-athletes opportunities to experience competition, leadership roles, self-improvement, goal setting, discipline, coachability, learning from setbacks, accountability, enhance academics, developing positive character traits, and being part of a team.

KISD Athletics supports the belief that well-rounded students are of sound mind and body. In addition, athletics will showcase competitiveness, character, resiliency, talent, determination, team play, grit, and good sportsmanship.

The life lessons learned through each student-athlete's experience will help prepare them personally, academically, and socially.

KISD's Athletics Department oversees the district's full range of UIL athletic programs, which begin at various grade levels and include football, volleyball, tennis, basketball, baseball, cross country, softball, track, wrestling, swimming, cross country, golf, and cheer. This includes non-UIL sports such as drill team, water polo, and powerlifting.
