These note outstanding achievement in specific areas. These distinctions will be included on the high school transcript, and can potentially place students in a better position for successful entry into college and/or the workforce.

- Dual credit courses/Associates degree
  - Bilingualism and biliteracy
  - PSAT, SAT or ACT scores
  - AP or IB exam scores
  - Earn a state-, nationally- or internationally- recognized business or industry certification or license
-

What do 4-year  
universities want?

**Academic Rigor**

Admission requirements vary among  
universities. It is always best to check  
with the university to be sure.

<u>Arts &amp; Humanities *</u>	<u>Business &amp; Industry</u>	<u>Public Services</u>	<u>STEM</u>

**Organizations:** HOSA, German Club, Band

Each block = 1 credit  
 = courses that “double dip”

# Registration Timeline

---

11/29 -12/3 - Students make Endorsement/Pathway choices

12/6 -12/17 - Students create 4-year plans

1/18 -1/28/22 - High School counselors will be on Middle School campuses visiting with students and registering them for 9th grade (schedule will vary)

**\*\* Parents will receive an email notification in February about signing off on the four year plan.**

# College & Career Readiness

Students have a wealth of choices for their plans after high school. KISD is committed to providing them with an education that prepares them for whatever they choose to do.

For information on college, career or military readiness, check out the resources on our new CCMR webpage.

## COLLEGE, CAREER AND MILITARY READINESS HOME

All students should graduate from high school ready for college, careers, the military, or any future they choose in life. College- and career-ready graduates should be able to enter and succeed in entry-level post-secondary classes without the need for remediation.

Keller ISD is committed to focusing on cutting-edge, rigorous, and relevant education that prepares our students for post-secondary learning as well as a wide range of high-wage, high-demand careers. We offer sixty-one programs of study, thirty of which are Career and Technical Education, or CTE, programs. Throughout the progression of each program, students learn relevant skills that may lead to a future career choice and/or path towards a college degree.

Our goal is to prepare our graduates to pursue a future of their choosing and successfully enter our global society.
