If you are interested in becoming a Keller ISD employee substitute, please refer to the “Substitute” page of our website where all requirements and processes for becoming a substitute are outlined.

- Click on the “Substitute” link under the "Human Resources" section of our website at: www.kellerisd.net
- In all cases, Keller ISD will attempt to hire certified teachers as substitutes whenever possible.

AVAILABILITY

Substitutes are called in most cases by the computerized absence reporting system. However, if no job has been previously assigned, substitutes are always encouraged to go online to our computerized absence reporting system to look at the available jobs. Substitutes may be placed on school priority lists in accordance with the individual school processes or preferences based on previous performance.

Accordingly, substitute employees who are consistently unavailable for work when called by the automated system or contacted by district personnel with job offers, will be placed on a low priority list. Please use Absence Management (Aesop) to enter your work day availability, so that we will contact you assignments when you are available.

BAD WEATHER DAYS

Some days may become too dangerous for students and employees to travel to and from school because of weather conditions. If you have accepted jobs for any of these days, you should monitor the Keller ISD website for information on Keller ISD closings. If the Keller ISD computerized absence reporting system continues to call you the morning of a closing, please press the * button to discontinue calls. You will not be paid for any day that Keller ISD is closed.

STATUS CHANGES

Substitutes must notify Human Resources of any changes to address, phone number and/or email address through the Employee Access Center (EAC) on www.kellerisd.net. Substitutes are responsible for providing the Human Resources Department with any newly earned teaching certificates or school transcripts.

RESIGNATIONS

Substitutes are required to turn in a written letter of resignation to Human Resources if the individual desires to be removed from substitute list. Additionally, failure to return the Letter of Reasonable Assurance at the end of each school year will be considered a voluntary resignation.

CONDITIONS FOR CONTINUATION OF EMPLOYMENT

Substitutes will be required to work a minimum of five (5) full days or ten (10) half days during the fall semester, and five (5) full days or ten (10) half days during the spring semester. Substitutes not meeting this requirement will be considered inactive and removed from the active substitute pool. Individuals removed from the substitute list, due to inactivity, must reapply and meet the current hiring requirements. Keller ISD will afford substitute employees the opportunity for continuation of employment for each succeeding year by signing a Letter of Reasonable Assurance issued by the District annually to all substitute employees who have performed their duties in an acceptable manner.

HOURS

The school day schedule varies at the different schools. The bell schedule for KISD's campuses are listed below.

Campus Level	Start Time	End Time
High Schools	8:30 a.m.	4 p.m.
Middle Schools*	8:30 a.m.	4 p.m.
Intermediate Schools	7:45 a.m.	3:15 p.m.
Elementary Schools	7:55 a.m.	3:25 p.m.
Early Learning Centers	8:10 a.m.	3:40 p.m.

*Keller Collegiate Academy follows the same bell schedule as Keller ISD high schools.

**Indian Springs Middle School and Timberview Middle School follow a Middle School Bell Schedule despite the fact that they serve grades 5-8.

FULL & HALF DAY GUIDELINES

Assignments will be listed in Absence Management (Aesop) as half day or full day. These are the guidelines for full day/half day determinations:

1. A half-day assignment consists of any assignment that lasts approximately 4 hours. Substitutes who work **approximately four (4) hours or less** per day will be credited for one-half day's work.
2. Full day assignments consist of any job that covers most of the instructional day. Substitutes who work over **well over four hours** per day will be credited for having worked one full day.
3. The substitute is expected to remain on duty until all students have safely left the campus or have been picked up by the appropriate parent, bus, daycare service, etc.

*Substitutes who are originally scheduled for a half day assignment but work long enough to qualify for full day pay, are expected to stay for full day and teach additional classes or perform other duties within reason if requested by the campus.

LATE ASSIGNMENTS

When accepting a FULL day assignment where school has already begun, you must contact the campus to see if a substitute is still needed for the full day. In some instances, the campus may have already made arrangements to cover the class in the morning but will need a substitute for the afternoon.

When accepting a HALF day assignment where the assignment has already begun, you must contact the campus to see if a substitute is still needed for the position.

If a substitute accepts a position for either of the above situations and reports to campus without contacting the campus ahead of time, and the campus has another substitute in place, the substitute that did not contact the school ahead of time will not sign in and will not be paid, unless they are assigned to another full or half day position within the district.

REPORTING TO WORK

All substitute employees need to check in with the campus Substitute Coordinator when reporting for work. Do not report to the classroom, as you risk not being paid for that day if you fail to complete the sign-in process.

If you cannot fulfill an assignment accepted previously, you are responsible for canceling the assignment in Aesop as soon as possible. If you need to cancel a job assignment, you are responsible for the professional courtesy of contacting the campus. *****Please note--frequent last-minute cancellations, or not reporting for substitute assignments may limit your ability to substitute for the district.***

*****No reminder calls or notices for scheduled jobs are given. The automated calling system will not call you regarding the advance date. Please put the date(s) on your calendar and be responsible for your own schedule.***

TOBACCO PRODUCTS

Smoking and the use of tobacco products, including “e-cigarette” or vape devices, by employees shall be prohibited on school property, in school-owned vehicles, and while supervising students in school-related events.

WORK-RELATED INJURIES

Injuries occurring during the course and scope of the substitute employee’s job duties must be reported to the employee’s primary supervisor (principal/assistant principal) at the time of the injury. The substitute employee is required to complete a First Report of Injury (FROI) form regarding the injury. The Employee Accident Report form is located on each campus within the Keller ISD school district.

2023-2024 Keller ISD Substitute Pay Scale

Education	Regular Rate	Consecutive Days Rate (Day 11+)	Long-Term Rate (Teaching Positions)	Long-Term Rate beginning on Day 45+ (Teaching Positions)
High School Diploma/Equivalent	\$70.00	\$80.00	N/A	N/A
30+ College Hours	\$80.00	\$90.00	N/A	N/A
Bachelor's Degree	\$95.00	\$105.00	\$125	N/A
Current Out of State Valid Teaching Cert.	\$95.00	\$105.00	\$125	N/A
Texas Certified	\$100.00	\$110.00	\$135	\$200*

Substitutes must show proof of education. To be considered "Texas Certified", the substitute must hold a valid Texas Educator Certificate. All long-term teaching assignments should be filled by a substitute holding a valid Texas Teachers Certificate or Bachelor's.

Consecutive Work Status

Consecutive work status begins on the 11th consecutive day and is established by fulfilling half or full day assignments for teachers, paraprofessionals, and some District positions. The work location may vary daily within an individual campus or across the District. The daily rate of pay will increase by \$10 and continue until there is a break in service, at which time the daily rate returns to the Regular Rate and the daily count reverts to Day 1. Any exceptions shall be approved by a Director of Human Resources.

Long-Term Assignments

A long-term assignment is defined as any teaching assignment extending over 10 consecutive days for the same teacher. If the long-term assignment is scheduled in advance for longer than 10 consecutive days, then the long-term rate will begin on day 1 of each long-term assignment. If a teaching assignment starts as a regular assignment (10 days or less) and is extended past ten days, then the long-term rate will begin on consecutive day 11 of the assignment.

"Long-Term Rate beginning on Day 45+" pay begins on the substitute's 45th day in the long-term assignment. Each long-term assignment will begin with the regular (Day 1) long-term rate regardless of consecutive assignments.

After being placed on the long-term rate, the principal may approve occasional absences without jeopardizing the long-term rate.

*If the long-term assignment is fulfilling a ***vacant*** teaching position, then the daily rate of pay may increase to \$315.51 (first-year teacher daily rate) on day 45 in this long-term assignment.

However, nothing prevents a teacher or other employees from praying or reading religious material during a time when students are not present, and you are not responsible for students.

REPORTING SUSPECTED CHILD ABUSE

Anyone who suspects that a child has been abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to DFPS (Department of Family and Protective Services).

2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Employees shall not engage in conduct constituting sexual harassment of other employees. Employees who believe they have been sexually harassed by other employees are encouraged to come forward with complaints. District officials or their agents shall investigate promptly all allegations of sexual harassment of employees by other employees, and officials shall take prompt and appropriate disciplinary action against employees found to have engaged in conduct constituting sexual harassment of employees.

An employee who believes he or she has been or is being subjected to any form of sexual harassment shall bring the matter to the attention of the principal, immediate supervisor, or Title IX coordinator for employees in accordance with the procedures in the District's employee complaints policy. However, no procedure or step in that policy shall have the effect of requiring the employee alleging harassment to present the matter to a person who is the subject of the complaint; nor shall a sexual harassment complaint be dismissed because it is not filed within the time lines set out in DGBA (LOCAL). Employees shall not engage in conduct constituting sexual harassment or sexual abuse of students. Sexual harassment includes any welcome or unwelcome sexual advances, requests for sexual favors, and other verbal (oral or written), physical, or visual conduct of a sexual nature. Romantic relationships between District employees and students constitute unprofessional conduct and are prohibited.

All allegations of sexual harassment or sexual abuse of students by employees shall be reported to parents and investigated. Information about sexual harassment or sexual abuse of a student that may reasonably be characterized as known or suspected child abuse or neglect shall be reported to appropriate authorities, as required by law.

Classroom Management

CLASSROOM MANAGEMENT

Classroom management seems to be the most challenging aspect of substitute teaching. These suggestions may be helpful to you:

- Start the day/each class period by standing at the door and greeting students as they enter.
- Review behavior management rules/rewards/consequences as posted in teacher's lesson plan folder or on classroom walls. Establish your behavior expectation immediately.
- Follow established procedures. Do not rely on student's interpretation of procedures. Ask a neighboring teacher.
- Learn the names of the students as quickly as possible or create a class-seating chart as the day starts if one is not present.
- Catch students behaving within the expected norms and compliment them early and often to give attention to desired behavior.
- Check for lesson plans. If materials and plans are not available, report to the office immediately to seek their guidance on steps to locate lesson plans.
- Maintain discipline in the classroom at all times. Each school has a disciplinary procedure, usually clearly posted in each classroom. Should discipline problems occur, follow the discipline plan. ***Do not lay your hands on children at any point in the day.*** Notify a neighboring teacher or the campus administration if any discipline problems occur that you feel you are not equipped to handle.
- Exhibit enthusiasm and confidence. These are visible indicators to students and often set the tone for student behavior.
- Be friendly, firm and consistent.
- Model the behavior you expect of the students. Students will follow your lead.
- Be sure students understand what is expected of them.
- Use appropriate vocabulary for the classroom.
- Walk the room and stand by students who are noisy or seem to have trouble following directions
- Refrain from sarcasm, ridicule, hasty decisions and/or physical contact when interacting with students.
- The Team Leader/Department Chairperson and the team members will be very helpful. They will provide additional assistance.
- Remain in the class at all times while students are present. Accidents/incidents happen when the supervisor leaves the classroom unattended.
- Use of cell phone to make personal calls, text or check personal email may be done only during your 30-minute duty free lunch or during a conference period when you are not needed somewhere else.
- Call students only by their names. Do not use "pet names" to acknowledge students. Those terms are used by people on a much more familiar basis with one another. Even if this is your "style" you are not the regular teacher and do not have the same relationship with the students that the regular teacher may have, so "pet names" such as "big guy", "sweetie", etc. are to be avoided.
- When and if a special problem arises, feel free to contact a neighboring teacher or campus administration. Do not feel that such a request for help is a reflection of your ability or that it will be considered so by the principal. It is much worse to need help and not ask for it.
- In all Pre-K-6th grade classes students are to be accompanied to recess, lunch, co-curr, etc.

GIVING DIRECTIONS

When giving directions, remember why students do not follow directions:

- They don't intend to
- They are unable to
- Directions are unclear

Avoid reasons why student do not follow directions by:

- Getting students attention before giving directions
- Giving no more than 3 directions at a time
- Sequencing directions in correct order
- Write directions on the board as given orally
- Giving directions at the time of the activity
- Modeling the directions
- Checking for understanding
- Providing practice for following the directions
- Correcting any miscommunication immediately

SPONGE ACTIVITIES

A sponge activity acts as filler to the regular classroom lesson. There should be no wasted time in the classroom. For that reason sponge activities are a great way to keep students working and engaged throughout the day. They can be used to build vocabulary, teach teamwork, and build problem solving skills and writing/reading fluency.

Some suggested sponge activities include:

- Writing in a journal about what you will tell your teacher tomorrow about how I (the substitute) ran the classroom today
- Write scrambled words on the board for students to unscramble
- Riddles
- Mental math or quick oral math problems to which the students need to find the answer
- Category games where you list a category and students list as many things that go into the category as possible
- Students complete patterns
- Students can draw using only circles, triangles, etc.
- Reading a newspaper article (appropriate current events) and have students answer questions
- Students writing an article for a newspaper on a current event

HANDLING MISBEHAVIOR

Possible causes for misbehavior:

A. If student is looking for attention

1. Adult in charge feels annoyed and reacts by reminding and coaxing student to behave
2. Student's response is to continue to misbehave or temporarily stops the undesired behavior then begins in another way
3. Adult's options to correcting or changing the behavior
4. Ignore the behavior
5. Give attention when the student is following rules/directions
6. Give attention to others who are behaving in the manner you are guiding misbehaving student
7. Only state what you can follow through on and follow through on what you state.

B. Possible cause for the misbehavior:

1. If the student wants to be in charge
2. Adult in charge feels angry and provoked; position of authority is threatened and adult reacts by arguing or giving in to the student
3. Student's response is to continue to misbehave or temporarily stops the undesired behavior then begins in another way

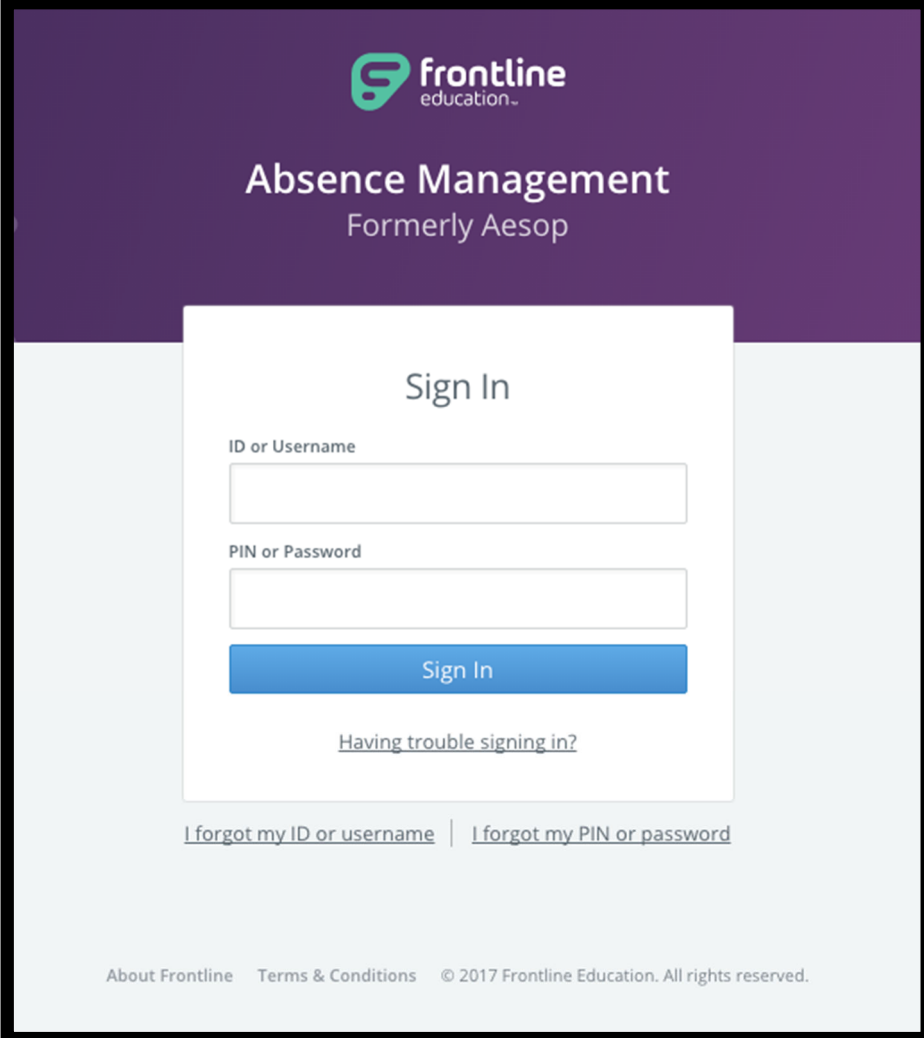

C. Adult's options to correcting or changing the behavior:

1. Do not show anger
2. Take a moment and count to 10 before responding
3. Do not give in
4. Give attention when the student is following rules/directions
5. Give attention to others who are behaving in the manner you are guiding misbehaving student
6. Only state what you can follow through on and follow through on what you state
7. Contact neighboring teacher or campus administration for guidance
