

What is a School Parent-Compact?

A school-parent compact is a way to create a partnership between the school and home that focuses on helping students be successful. This compact will help explain how parents and teachers will work together to make sure all of our students reach grade level expectations.

Effective Compacts:

- Link to school improvement plan goals
- Focus on student learning
- Explain how teachers and parents will communicate about student progress
- Provide strategies that students and parents can use and support at home
- Describe opportunities for how parents can be involved in their child's education

Jointly Development

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. During our annual Title I committee meeting and our campus educational improvement committee meetings, the school-parent compact is discussed, reviewed, and revised based on the school's academic goals and student's needs.

Parent input and feedback are welcome at any time. All feedback will be collected and reviewed during our annual revision meeting with parents.

Building Partnerships

There are many opportunities for parents to volunteer and support your child's education. Please consider joining us by participating in some of the following events and programs.

- Parent workshops offered by our parent engagement liaison
- Volunteering in your child's classroom
- Being a Watch Dogs for a day
- Participating in evening events provided each month by the campus and PTA
- Volunteering for field trips and field day
- Becoming a PTA member and joining the PTA board.
- Attending parent orientation in the fall
- Meeting with your child's teacher for parent conferences

Communication about Student Learning

- Daily folders
- Current grades are available through Aeries Student/Parent Portal
- Parent-Teacher conferences in the fall
- Progress reports available through Aeries Student/Parent Portal every three weeks
