

Whitley Road Elementary School- Parent Compact

2020-2021

Whitley Road Elementary School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act agree that this compact outlines the collective responsibility for improved student academic achievement. The school and parents will build a partnership that will help children achieve and surpass the state's high standards.

School Responsibilities

In order to provide effective service to our students, and to insure success, the school's responsibilities are as follows:

- Providing high quality curriculum and instruction in a supportive and effective learning environment that enables your child to meet the State's student academic achievement standards.
- Holding your child to the highest expectations and believing in his/her ability to meet and exceed them.
- Holding parent-teacher conferences during which this compact will be discussed as it relates to your individual child's achievement.
- Providing you with frequent reports on your child's progress.
- Providing you reasonable access to staff and administration and responding to your concerns in a timely manner.
- Providing you with opportunities to volunteer and participate in your child's class and school as well as observe classroom activities.
- Providing informational sessions and academic workshops where you can become knowledgeable in Title I topics, curriculum, assessment, and ways you can become personally involved in campus decision-making opportunities that affect the education of your child.

Parent Responsibilities

A child's first educators reside within the home. As a result, your role in supporting them is invaluable in their overall success. In order to aide in their success, please see the following parent/guardian responsibilities:

- Ensure my child gets food, adequate sleep, and attends school daily and on time.
- Support school staff in maintaining discipline and high academic expectations.
- Set aside a specific time, place for homework, and provide support as needed.
- Read with my child regularly, and read teacher's weekly newsletter.
- Volunteer to assist with school projects at home or at school
- Become familiar with Keller ISD curriculum, state academic standards, and Title I topics of interest.
- Attend informational and workshop sessions provided by the school and district.

Student Responsibilities:

As a student, you have personal responsibility in your own learning. In order to aide in your success, your responsibilities are as follows:

- Be prepared for school with completed assignments.
- Work cooperatively with classmates.
- Follow the school's Code of Conduct and Whitley Road Pledge.
- Set and maintain attainable goals for all content areas.
- Contribute academically and socially to the school's success.
