February 16, 2022

Dear KHS Parent/Guardian and Student,

Keller High School is pleased to announce we will be offering the SAT again this spring for our 11th grade students. This exam will take place **on campus on Wednesday March 2, 2022**. All juniors are automatically registered and paid for by KISD, so no further action is required.

Please plan to arrive between 8:00 a.m. - 8:15 a.m. Testing room assignments will be posted outside the Counseling Center at the front of the school, as well as by the Library. We tentatively plan to end testing in time for students to attend their 6th and 8th periods as normal (around 1:25 p.m.). Students that have KCAL 6th period will report to the cafeteria where attendance will be taken. Students will need to bring needed materials for these classes with them.

**Bring the following items for the SAT School Day Opportunity:**

- School or government-issued photo ID
- A number 2 pencil - no pens or highlighters are allowed
- Please bring a sack lunch. Lunch will take place in your testing room at the conclusion of your exam. Sack lunches will be available for purchase in the cafeteria prior to the exam if you don't bring one.
  - You may also bring a snack to enjoy during the two short testing breaks, one 10-minute break after section 1 and one 5-minute break after section 3.
- **Students must bring their OWN calculator.** For a list of acceptable graphing calculators, see [sat.org/calculator](https://satsuite.collegeboard.org/calculator). No other calculators are permitted. Backup batteries and calculators are permissible.
- Electronic devices are prohibited in the testing room. All cell phones, fitness bands, media players, smart watches or other electronic devices must be powered off and left outside the testing room or collected.
- Review the College Board's "The SAT Student Guide" information:  
<https://satsuite.collegeboard.org/media/pdf/sat-school-day-student-guide.pdf>

We are very excited about this opportunity provided by KISD and look forward to our students having another tool to facilitate success after graduation. Please don't hesitate to contact me should you have any questions.

Sincerely,

Nancy Stafford
