February 16, 2022

Dear KHS Parent/Guardian and Student,

Keller High School is pleased to announce we will be offering the TSIA (Texas Success Initiative Assessment), which is a series of assessments that help determine college readiness. This exam will take place **on campus on Wednesday March 2, 2022**. The TSI is being offered to all 10th graders, 12th graders who are still in need of a CCMR point for graduation, and 9th graders currently in English 2 classes who are planning on taking a dual credit course during the 2022-23 school year. The TSI is paid for by KISD, however, for planning purposes **students must register for this test by February 23rd at 4:00 p.m. using the below links:**

[9th Grade Registration Link](#)

[10th Grade Registration Link](#)

[12th Grade Registration Link](#)

**Students taking the TSIA are required to complete a TSIA Pre-Assessment Activity (PAA) before completing the TSIA exam.** The PAA is only an exercise to be completed and will not be scored. Students are required to take the PAA on their own, either at home or at school; students should spend less than 30 minutes on the PAA. It is our recommendation that this is completed prior to testing on March 2nd. Click on the link below to complete the PAA:

[CLICK HERE TO COMPLETE THE PAA](#)

**\*\*For additional information on the TSIA, please see the KISD Assessment page @ [KISD TSIA](#)\*\***

**TSIA testing is online and must be taken on a KISD issued Chromebook, so please bring your device for this testing day. If you do not have a KISD issued Chromebook, one will be provided.** Testers should plan to arrive between 8:00 a.m.-8:15 a.m. Testing room assignments will be posted outside the Counseling Center at the front of the school, as well as by the Library. You may bring snacks and your lunch. Sack lunches will be available by request. Lunch will take place in your testing room at the conclusion of your exam. We plan to end testing in time for students to attend their 6th and 8th periods as normal (around 1:25 p.m.), so students will need to bring needed materials for these classes with them. Students that have KCAL 6th period will report to the Commons where attendance will be taken. Students that have these periods off will be able to leave for the day after checking out with campus staff/attendance.

All non-testers will have late arrival for this day, however, buses will run on their normal schedule. Non-testers riding buses should report to the Commons upon arrival to campus Please see additional details for March 2nd below:

- Optional lunch will be provided from 11:15 a.m.-11:45 a.m. in the cafeteria for non-testing students
- Late arriving students must report to campus no later than 11:45 a.m..
  - \*Non-testing 12th graders should report to the KHS Fine Arts Center no later than 11:45 a.m. They should plan to enter through the outer FAC entrance located at the front of school - attendance will be taken.
  - \*Non-testing 9th and 10th graders should report to the KHS Main Gym no later than 11:45 a.m. They should plan to enter through the outer Gym entrance east of the main school entrance - attendance will be taken.

We are very excited to offer continued assessment opportunities for our students and look forward to them having another tool to facilitate success after graduation! If you have any questions, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Michelle Mayfield".
