Reserved Parking Painting Do's and Don'ts

Do:

DO put some kind of identifying mark in your space; that way, there will be no question that it is yours!

DO bring your own materials: latex or acrylic house paint, big paint brushes, paint rollers, stencils, painter's tape, etc.

Do begin with a base coat: like white, black or a grey.

DO use appropriate words and images. Spaces with inappropriate content will be confiscated and re-sold. If you have questions about what is appropriate, ASK!

(Who should you ask? Start with mom or dad; if you're still not sure, ask Mr. Branch in the AP office)

Don't:

DON'T bring spray paint. No graffiti.

DON'T paint below or over your space number, on top of the dividing lines, or on the curb. You will be charged/fined a repainting fee.

DON'T leave trash, paint cans, brushes, puddles of paint, etc. behind you. Please DO clean up after yourself!
