## Professional Communications

TEDS: 13009900

Credit: .5

Grade: 9-12

Recommended prerequisite: None

Professional Communications blends written, oral, and graphic communication in a career-based environment. Careers in the global economy require individuals to be creative and have a strong background in computer and technology applications, a strong and solid academic foundation, and a proficiency in professional oral and written communication. Within this text, students will be expected to develop and expand the ability to write, read, edit, speak, listen, apply software applications, manipulate computer graphics, and conduct Internet research. **This course is offered in the traditional classroom and online through the Keller ISD Virtual Learning program.**

## Entrepreneurship

TEDS: 13034400

Credit: 1

Grade: 9-12

Recommended prerequisite: None

Students will gain the knowledge and skills needed to become an entrepreneur. Students will learn the principles necessary to begin and operate a business. The primary focus of the course is to help students understand the process of analyzing a business opportunity, preparing a business plan, determining feasibility of an idea using research, and developing a plan to organize and promote the business and its products and services. In addition, students understand the capital required, the return on investment desired, and the potential for profit. Students earn 1 credit for this course, but the course is taught in 1 semester. **This course is offered in the traditional classroom and online through the Keller ISD Virtual Learning program.**

## Principles of Cosmetology

TEDS: 13025050

KISD: 83301

Credit: 1

Grade: 11-12

Prerequisite: None

In Principles of Cosmetology, students coordinate integration of academic, career, and technical knowledge and skills in this laboratory instructional sequence course designed to provide job-specific training for employment in cosmetology careers. Students will gain academic skills and as well as technical knowledge and skills related to cosmetology design and color theory. Instruction includes sterilization and sanitation procedures, hair care, nail care, and skin care and meets the T Texas Department of Licensing and Regulation requirements for licensure upon passing the state examination. Analysis of career opportunities, license requirement, knowledge and skills expectations, and development of workplace skills are included.

## Cosmetology I

TEDS: 13025200

KISD: 82201

Credit: 2

Grade: 11-12

Recommended prerequisite: None

Students coordinate integration of academic, career, and technical knowledge and skills in this laboratory instructional sequence course designed to provide job-specific training for employment in cosmetology careers. Instruction includes sterilization and sanitation procedures, hair care, nail care, and skin care and meets the Texas Department of Licensing and Regulation requirements for licensure upon passing the state examination. Analysis of career opportunities, requirements, expectations, and development of workplace skills are included.

## Cosmetology II

TEDS: 13025300

KISD: 82202

Credit: 2

Grade: 11-12

Recommended prerequisite: Principles of Cosmetology and Cosmetology I

Students review academic knowledge and skills related to cosmetology. This course is designed to provide advanced training for employment in cosmetology careers. Instruction includes training in sterilization and sanitation processes, hair care, nail care and skin care and meets the Texas Department of Licensing and Regulation requirements for licensure upon passing the state examination. Students apply, combine, and justify knowledge skills to a variety of settings and problems.

## Practicum in Human Services

TEDS: 13025000

KISD: 82106

Credit: 2

Grade: 12

Prerequisite: 3 credits in Cosmetology program of study

The Practicum in Huma Services is designed to give students practical applications of previously studied knowledge and skills. Practicum experiences can occur in a variety of locations appropriate to the nature and level of experience. Practicum in Human Services provides background knowledge and occupation-specific training that focuses on the development of consumer services and family and community-services careers. Content for Practicum in Human Services is designed to meet the occupational preparation needs and interests of students.
