

Bear Creek Intermediate School Families,

We wanted to make you aware that we had an ambulance on our campus this morning in response to an individual student medical issue. Due to confidentiality requirements, we cannot share specific details, but can let you know that the emergency medical technicians were able to assist the student.

We just wanted to be sure to share this information with you in case you or your student saw the emergency vehicle on our campus and were concerned.

Thank you for your understanding and your continued support of Bear Creek Intermediate School.

Sincerely,

Brenda Riebkes
Principal
Bear Creek Intermediate School
