Principal

March 28th, 2022

Dear Parents,

Your child is scheduled to take the STAAR for his/her grade level on the following dates later this spring:

Grades 3-8 Reading, Math, Science and Social Studies STAAR	*May 10-20, 2022
---	------------------

*Campuses will choose dates within this window

Bear Creek STAAR testing schedule:

2022 STAAR Testing Calendar		
Students will need to bring their school issued Chromebook and a charger to school by Friday, May 6 th to charge for testing.		
Tuesday, May 10 th	Wednesday, May 11 th	Thursday, May 12 th
5 th Grade Math	5 th Grade Reading	5 th Grade Science
6 th Grade Math	6 th Grade Reading	

In June 2021, during the 87th Texas Legislative Session, HB4545 was passed into law. This law requires that any student who does not meet the minimum requirement of “approaches” grade level on a STAAR assessment receive 30 hours of accelerated instruction and targeted academic intervention prior to taking STAAR again. This includes students who are absent for any test administration. For more information about HB4545, please visit [HB4545 Overview](#).

KISD will provide this academic support to students during the month of June on most campuses. Participation in June will help ensure that students do not have to participate in tutorials outside the school day in the fall. STAAR scores for grades 3-8 are scheduled to be released on May 23rd, and we will notify you by May 26, 2022 so that all students will know if they need to attend summer school by the last day of this school year.

If your child is unable to attend the summer program, he or she will be required to complete the 30 hours of accelerated instruction once the school year begins in August.

If you have additional questions regarding STAAR testing, please contact our testing coordinator, Assistant Principal Ashley Vick at the following email address: ashley.vick@kellerisd.net.

Sincerely,

Brenda Riebkes

BCI Principal
