- Xfinity WiFi Free For Everyone: Xfinity WiFi hotspots across the country will be available to anyone who needs them for free – including non-Xfinity Internet subscribers. For a map of Xfinity WiFi hotspots, visit www.xfinity.com/wifi. Once at a hotspot, select the “xfinitywifi” network name in the list of available hotspots and then launch a browser.
- News, Information and Educational Content on X1: For those with school-age students at home, X1 created new educational collections for all grade levels. Just say “education” into your X1 or Flex voice remote.
- AT&T is also providing free access to its public WiFi hot spots. The company also said its consumer home internet wireline customers and fixed wireless internet customers would receive unlimited data.
- You can get free Spectrum internet for 60 days if you live in a household with a K-12 or college student. To enroll call 1-844-488-8395.

- Charter Communications is providing free Spectrum broadband and Wi-Fi internet for the next 60 days to households with K-12 students or college students who don't already have a subscription. Like Comcast and AT&T, it's also offering its Wi-Fi hot spots for free to the public.
- TDS offers free internet to low-income families, college students. For more information, call 1-888-287-8156.
