

2018-2019 North Riverside School Supply List

The following standardized supply list is for all elementary schools in the Keller ISD. The supplies listed have been determined as the necessary materials for each student to have in order to be prepared for school each day. Since these supplies are necessary for a student to be prepared for class, parents may be asked to replenish during the year should our child's supplies become depleted or unusable.

These supplies can be purchased at local retail stores or for your convenience, many PTA's offer pre-packaged supplies for purchase at the campus. Check with your home school for specifics.

This list includes the basic individual student supplies but teachers may request donations of additional classroom supplies to support their classroom needs. Classroom supplies will be utilized by all students and do not belong to an individual student. Any support from parents in providing these additional classroom supplies is greatly appreciated, but not required.
