Welcome to "The Grove!"

Thank you for entrusting us with your child...

Shady Grove Elementary is a place where our students can feel comfortable being who they are, encouraged to become who they want to be, and confident knowing that they are in a place where teachers and staff thrive coaching students to reach their highest potential.

We consider your child's education at SGEs to be a partnership that gives them the tools that they need to gain knowledge, embrace challenge, and make decisions on a daily basis to guide them in future years. Together with our families, staff, and community, we strive to maintain Keller ISD's vision of our district being an exceptional place in which to learn, work and live.

I hope that you will always feel comfortable letting me know where we can improve on your child's experience during their elementary years.

Sincerely,

Anna RenPro-Drewes

Principal, Shady Grove Elementary
