

Keller Collegiate Academy Parking Policy

2022 - 2023

Vehicles parked in Keller Collegiate Academy designated student parking lots are under the jurisdiction of Keller Collegiate Academy. Students must purchase a KCA parking permit, to be hung on the rearview mirror, visible to security, prior to parking in KCA designated student parking lots. Parking permit fees are listed below:

General Parking Permit for the Academic Year (fall and spring) \$50

General Parking Permit for 2nd Semester Only \$25

*Replacement of lost or damaged parking permits will incur the same fees as listed above

Parking permits will NOT be sold or issued with incomplete paperwork. The parking information sheet must have all information completed and it must have parent/guardian signatures (even if the student is 18). We must have accurate information for each parking permit sold. Sharing of parking permits is not permitted and may result in the loss of parking privileges. The submission of fraudulent or incorrect vehicle identification information or the use of fraudulent parking permits may result in the loss of parking privileges.

According to local policy (FNF Local), administrators may conduct searches of vehicles on school property at any time there is reasonable cause to do so. If a student refuses to give consent, the parents of the student will be called to gain consent. Refusal of consent will result in a loss of parking privileges and possible involvement of law enforcement.

All students, regardless of age, will be held responsible for any prohibited objects or substances, such as e-cigarettes or vaping devices, tobacco products of any kind, alcohol, drugs, weapons, etc. that are found in his/her vehicle and will be subject to disciplinary action by Keller ISD, as well as possible involvement of law enforcement.

Students have full responsibility for the security of their vehicle and must make certain it is locked and their valuables are secured. Keller ISD is NOT responsible for loss or damages which occur while vehicles are parked on school property.

Students will not display any item on his/her vehicle which may be interpreted as offensive. The offensive nature of an object will be determined at the discretion of the KCA administration.

Any type of reckless driving on school property at any time will result in suspension or revocation of parking privileges. KCA will NOT refund parking pass fees to students who have had parking privileges suspended or revoked.

Students must park in designated student parking areas only. Vehicles that create safety or access problems may be towed, without warning, at the owner's expense.
