

2018-2019 Supply List

Whitley Road Elementary School

The supplies listed have been determined as the necessary materials for each student to have in order to be prepared for school each day. Since these supplies are necessary for a student to be prepared for class, parents may be asked to replenish during the year should your child's supplies become depleted or unusable.

This list includes the basic individual student supplies but teachers may request donations of additional classroom supplies to support their classroom needs. Classroom supplies will be utilized by all students and do not belong to an individual student. Any support from parents in providing these additional classroom supplies is greatly appreciated but not required.
