Keller ISD Families and Employees,

Keller ISD is continuing to monitor the latest information released from local state and federal health officials regarding the coronavirus (COVID-19). As a reminder, tomorrow morning KISD will participate in a conference call with Tarrant County Public Health after which District administrators will make some informed decisions regarding how to best move forward.

We will continue to follow the guidance of our state and local health officials and the Texas Education Agency (TEA). When those decisions have been made, we will communicate directly with parents and staff through email, social media, and KellerISD.net.
