Dear Future Falcons,

Timber Creek Head Football Coach Marshall Williams and the entire Falcon Football Staff would like to invite you to our *11th Future Falcon Football Camp*. These sessions are designed to teach specifically offensive and defensive schemes that will be used for rising middle schoolers and 9th graders. During the camp, the Timber Creek coaches will be teaching the important fundamentals related to football such as: passing, catching, tackling, punting, & kicking. Campers will be learning and competing versus similar age groups and will also be taught drills and skills for the specific skill set.

The Future Football Camp is a fun three days of quality instruction with the opportunity to learn the Falcon Football System at a time that is essential for their growth in Timber Creek Football. You are the future of Falcon Football and our coaching staff looks forward to working with you this summer!!
