

This handbook highlights the Aeries **CLASSIC PARENT/STUDENT PORTAL**. If you would like to continue in the **NEW PARENT/STUDENT PORTAL**, it can be turned on by the user. For that handbook, click [HERE](#).

**LOGIN** to Aeries Parent/Student Portal [here](#).

- **Parents** will log in with the account provided by the district.
- **Students** will login with their district email and password.

The Aeries Web Version **PARENT/STUDENT PORTAL** introduces multi-lingual support. When a language is selected, the text in the navigation structure is translated into the selected language.

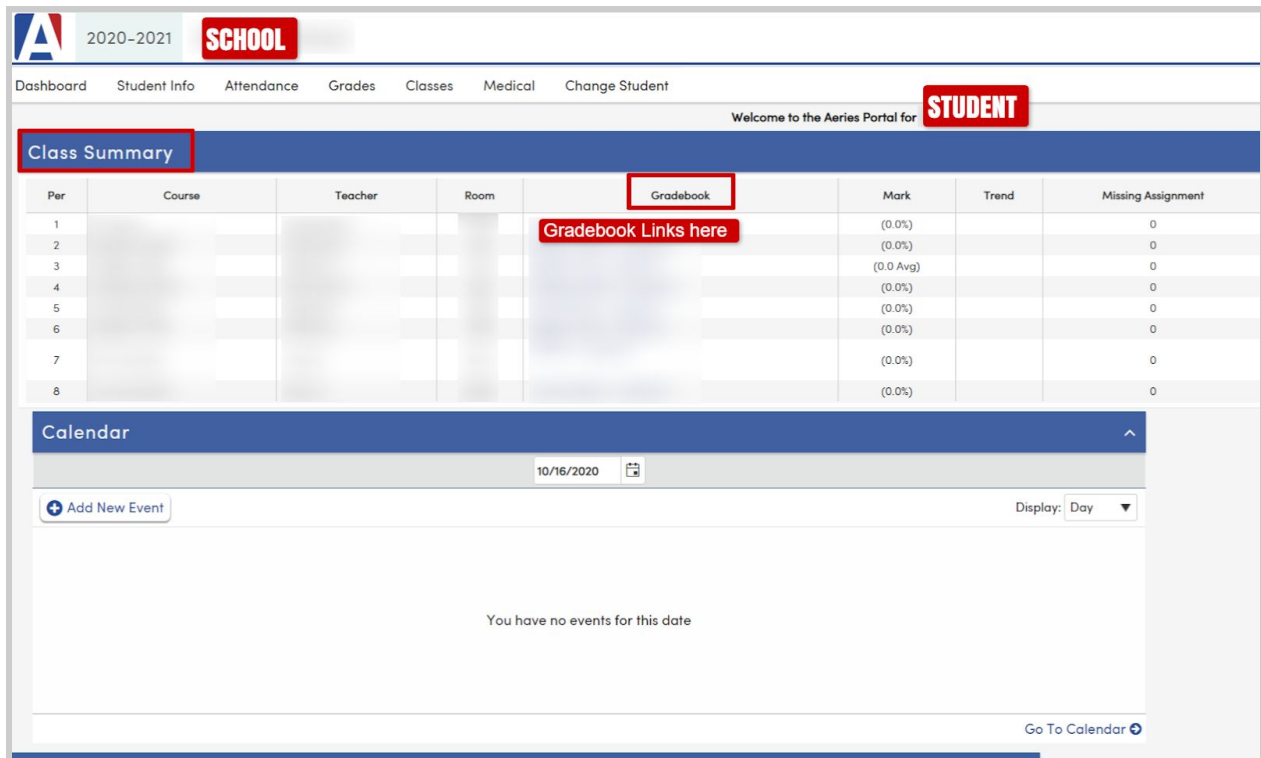

## Navigating the Aeries Portal

- [Dashboard](#) - Provides a few important items at a glance, such as Class Summary and Attendance Information
- [Student Info](#) - Allows you to view basic profile, demographics and contact information that is on file for your child. At this time, any changes to this information must be made by the front office at your child's campus.
- [Attendance](#) - Provides a calendar of information that allows you to see absences for your child as well as days that are designated as holidays or teacher ONLY days for the district
- [Grades](#) - Shows detailed assignment grades, along with official progress report and report card grades
- [Classes](#) - Displays the student's class schedule
- [Medical](#) - Shows any medical alert information that the district has on file that is marked as visible to all campus administrators
- [Change Student](#) - Allows you to switch between different students if you have multiple students actively enrolled in the district

## Dashboard

Once logged in, the Parent or Student will be able to view the **DASHBOARD**. *The Student Dashboard will display with expandable and collapsible sections that can be moved around. Each section can be expanded/collapsed by clicking on the ^.*

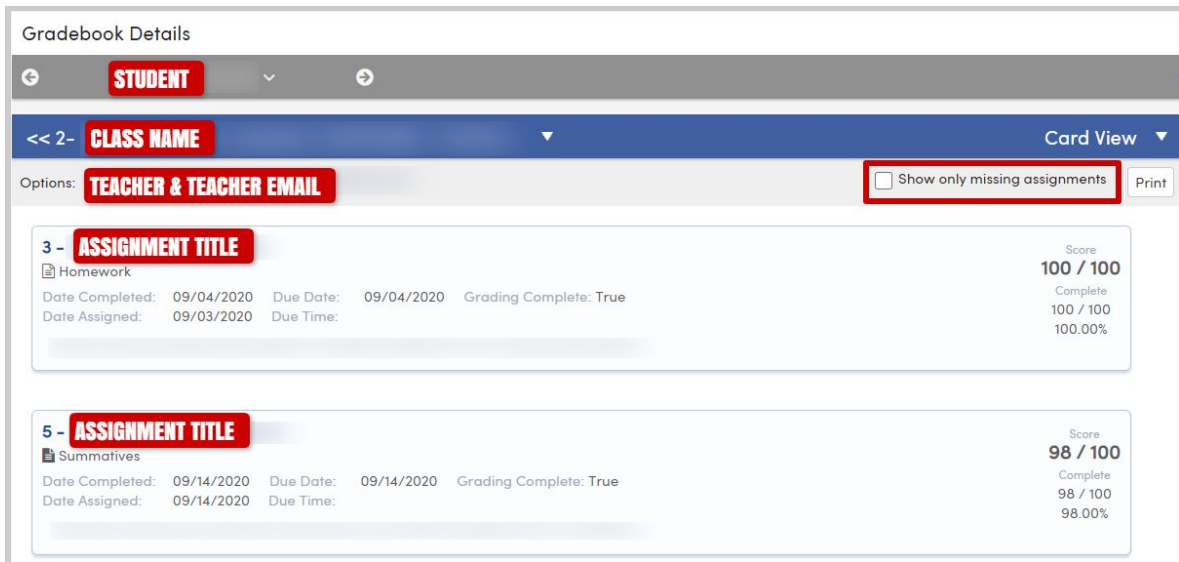

The screenshot displays the Aeries Parent/Student Portal interface for a student. At the top, there is a navigation bar with the school year '2020-2021' and a 'SCHOOL' button. Below this is a menu with options: Dashboard, Student Info, Attendance, Grades, Classes, Medical, and Change Student. A 'STUDENT' button is also visible. The main content area is titled 'Welcome to the Aeries Portal for STUDENT'. The 'Class Summary' section is highlighted with a red box and contains a table with the following columns: Per, Course, Teacher, Room, Gradebook, Mark, Trend, and Missing Assignment. A red box highlights the 'Gradebook' column header, and another red box highlights a link 'Gradebook Links here' in the first row. The 'Calendar' section below shows the date '10/16/2020' and a 'Display: Day' dropdown. A message states 'You have no events for this date' and a 'Go To Calendar' link is at the bottom right.

Per	Course	Teacher	Room	Gradebook	Mark	Trend	Missing Assignment

4					(0.0%)		0
5					(0.0%)		0
6					(0.0%)		0
7					(0.0%)		0
8					(0.0%)		0

The dashboard view provides important items at a glance, such as Class Summary and Attendance Summary.

From the **CLASS SUMMARY** widget, you can click on the link for the Gradebook, which will take you to the assignments and their grades for that class period.

Click on the  button for a list of the attendance codes and descriptions to help to read the attendance coding in the chart.

- **TCHR ONLY** - denotes the days that teachers will be working but students will be out.
- **HOLIDAY** - denotes district holidays for teachers and students.

## Grades

**Gradebook** - Displays a high-level course average for each of the student's courses.

By clicking on the down-arrow in the top-right, you can toggle between **CARD VIEW** and **TABLE VIEW**.

The table view has more details, such as the number of missing assignments. In table view, clicking **DETAILS** next to a course name will take you to the **GRADEBOOK DETAILS** page for that course.

**Gradebook Details** - Displays individual assignments that the teacher has given in the class. Each assignment entry provides details such as date assigned, date due, date of completion and score. Additionally, each assignment is followed by a **GRADING COMPLETE** Label of either **TRUE** or **FALSE**.

Grading Complete Label: **FALSE** means the teacher has not yet completed the grading of that assignment for the entire class and there is a possibility that the score for the student could change.

**TRUE** means the teacher has completed the grading of that assignment for the entire class, and unless you hear further from the teacher, you can consider that assignment grade complete.

## Classes

Classes

Displays the student's course schedule.

- **PD-** Class Period
- **TRM-** Semester. F = 1<sup>st</sup> Semester, S = 2<sup>nd</sup> Semester, Y = Year-long course
- **DAYS-** Specific which days the course meets.
- **TODAY-** The course that says **HERE** is the class that the student is physically attending at the moment, if not absent.
- **EMAIL-** You may click on the teacher's email address, which will open the default email client on your computer/device, to allow you to communicate with the teacher.

If multiple terms (**TRM**) are visible on the page, you may choose to **SORT BY TERM, VIEW ONLY CURRENT TERM**, or just see **TODAY**'s classes by clicking the checkboxes as shown below.

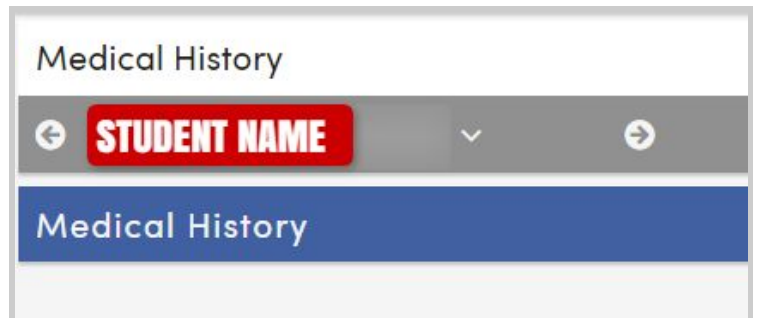

If you'd like to print a copy of the schedule, click the **QUICK PRINT** button.

## Medical

**Medical History** - Displays the medical alerts that are on file for your child and visible to all campus administrators, including but not limited to nurses, principals and other campus front office staff. The Last Updated timestamp reflects the last time this information was updated in our system.

If you have provided additional medical information that you don't see, it's likely that only the district Nurse has access to that information based on preferences specified by the parent via online registration. If you need to request changes to this information, please contact the front office at your child's campus or contact the school nurse directly.

## Change Student

*(Applies to Parent/Guardian Accounts ONLY)*

If you have multiple students connected to your account, you may toggle between them by hovering your mouse over the **CHANGE STUDENT** option on the menu bar and selecting the student from the list. *If one of your students is missing from the list, please contact the front office at your student's campus to request the missing student to be added or submit a [Parent TECH Help Ticket](#).*

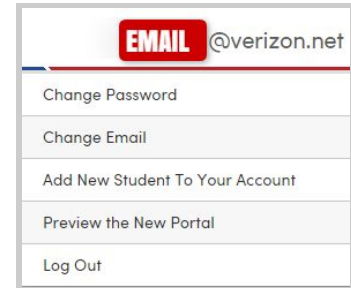

Although there's an **ADD NEW STUDENT TO YOUR ACCOUNT** option in the menu, the district **will not be issuing verification codes at this time.** The student can be added by the district.

Additionally, while on any of the pages, other than the Dashboard, you will see the name of the student that you're currently viewing in a gray bar with forward and backward arrows. Clicking on either of those items will take you to the next student that is tied to your account.

## Account Management

By clicking on your email address in the top right-hand corner of the screen, you'll see a dropdown list with some items to help you manage your account.

- **CHANGE PASSWORD** – You may change your password at any time.
- **CHANGE EMAIL** – You may change your email address at any time.
- **ADD ANY NEW STUDENT TO YOUR ACCOUNT** – You will not be able to use this feature, as the district is not issuing verification codes at this time. If you are missing a student from your account, please contact the front office at your student's campus or send a request to [Parent TECH Help](#).
- **PREVIEW THE NEW PORTAL** – A new design is available for preview. At some point in the future, the new portal design will be the only one available; therefore, we encourage you to explore that view so that you are familiar.
- **LOG OUT** – For security purposes, once you are done with your account for the time-being, please click the **LOG OUT** options to log out of your account.

*As a reminder, if you notice any issue with the data that you view, please contact the front office at your campus to discuss.*
