## Printing Student Report Cards

Use the  button located in the top-right to print a copy of your student's report card.

## Viewing Additional Student Report Cards

If multiple students are tied to your account, you may toggle between them by hovering your mouse over the **CHANGE STUDENT** option on the menu bar and selecting the student from your list.

If one of your students is missing from the list, please contact the front office at your student's campus to request the missing student to be added or submit a [Parent TECH Help Ticket](#).
