August 23, 2023

Keller ISD Students and Parents,

Throughout the 2023-24 school year, Keller ISD will host various student and public events, and we want to take a moment to remind students and parents about behavioral expectations. Please review the reminders below, and thank you in advance for your cooperation and adherence to the District's policies.

Student Behavior Expectations at Campus Events, Including the Keller ISD Athletics Complex

Student behavior toward staff, other students, adult spectators, and teams must be respectful at all times. Disrespectful behavior – including disobeying event staff, creating a disruption, etc. – will result in immediate removal from the event and be subject to additional disciplinary action in accordance with the Keller ISD Student Code of Conduct, which may include a loss of privileges to attend future school events on or off campus for the remainder of the semester.

Behaviors such as fighting will result in a loss of privileges to attend future school events, on or off campus, for the remainder of the school year.

Students are not allowed to congregate anywhere other than in the student seating sections. If students are grouped together in walkways, under the stands/bleachers, etc., they will be asked to return to their seats or exit the facilities. If a student leaves the event, there is no re-entry allowed.

Student, Parent, and Spectator Expectations at Campus Events, Including the Keller ISD Athletics Complex

To ensure that all spectators have a positive experience at campus events and athletics events, the following expectations will be enforced:

- Students must remain in their seats or “move with purpose” to or from concessions/restroom areas.
 - Students must sit either in the designated student section or with their immediate family.
 - Spectators are not allowed to switch between home and visitor sides of the facility during the game.
-

- All spectators must be in the stands in a seat. To ensure there is a safe and clear access way for spectator movement in or out of the stands, spectators will not be allowed to sit or stand along railings.
- Spectators shall cheer for their team and will refrain from yelling at game officials, opposing players, or other spectators. Spectators removed from an event due to behavior that is deemed inappropriate by the officials, campus/district administration, event staff, or local law enforcement could be banned from attending any events for the remainder of the semester and/or school year.
- Outside food or drink, backpacks, sports balls, or Yeti-type drink containers are not allowed in the Keller ISD Athletics Complex.
- Spectators are not permitted to spray/throw items at the game, including baby powder, confetti, or water. Additionally, artificial noisemakers (such as air horns) are not permitted.
- Signage displayed shall encourage your own team and not be directed at or mention the opposing team.
- Spectators are not allowed on the field at any time prior to, during, or at the conclusion of the event.
- There is no re-entry once you leave the event.
- Parents and guardians are expected to pick up students promptly at the end of all Keller ISD events. Any student remaining beyond 30 minutes after the end of the event/game may be suspended from attending future events/games.
- Parents and guardians are asked to accompany their students to KISD events or be available by phone, if needed.
- Students are asked to bring a form of identification to all events.
- Tickets and general stadium information may be accessed at <https://brushfire.com/kellerisd/>.

We look forward to seeing everyone out this season to cheer on our student-athletes, student musicians, and other student organizations. Thank you for your support in creating a safe and encouraging environment for our schools and our students!
