

Counselors,

Community Storehouse is offering SUPPLEMENTAL FOOD BOXES during the summer break for children that rely on the National School Lunch Program. Community Storehouse is committed to education and wellness in our community, and we believe that “hunger doesn’t take a break”! We appreciate your support!

This program is specific to families in Keller, Northwest, Carroll ISDs, and eligible charters that qualify for/participate in the NSLP (free reduced lunches). Families experiencing homelessness or a documented crisis are also eligible.

The following notice can be released to families, and registration is open now! This notice from Community Storehouse is formatted so that it can be copied and pasted, or attached for EMAIL as the preferred format. It can also be distributed as a hard copy.

We will be distributing children friendly food throughout the summer. Boxes will be distributed the following weeks:

To facilitate this process, we ask that the notice be sent to families as soon as possible and no later than the first week of May.

We look forward to offering this service to students in need in your schools.

Please feel free to contact our office with any questions!
