Coach Wilson and his high school wrestlers will be ready to teach our young wrestlers how to wrestle. Coach Wilson has been coaching in Keller ISD since 2006. These mini camps will be focused on developing the fundamental techniques and drills necessary to become a champion in wrestling. The takedown and mat wrestling camps will be awesome. Advanced wrestlers make sure to take advantage of the tilt and leg riding camp. Leg riding and a strong tilt game are short-cuts to any title you are chasing!

To sign up for camp email the information below to Coach Wilson at Centralwrestlingcamps@gmail.com We will email you confirmation and payment gateway. Free T-shirts for all athletes that sign up for camp 7 days in advance.
