Dear Future Falcons,

Timber Creek Head Football Coach Austin Kaehn and the entire Falcon Football Staff would like to invite you to our 14th Annual Future Falcon Football Camp. There is one session designed specifically for each age group. During the camp, the Timber Creek coaches will be teaching fundamentals related to football such as: passing, catching, tackling, punting, & kicking. The younger campers will have a chance to experience every position, while the older campers will be involved in more position specific workouts.

The Future Falcon Football Camp is a fun three days of quality instruction with the opportunity to learn the Falcon Football System at an early age. You are the future of Falcon Football, and our coaching staff looks forward to working with you this summer!!

Sincerely,

Austin Kaehn
