

**Jordan Santiago iCare Foundation
Keller High Memorial Scholarship**

Jordan Santiago was a 2013 Keller High School graduate and University of Arkansas graduate who was working at PricewaterhouseCoopers in Dallas when he was tragically killed in a hit-n-run in 2020. Jordan was able to impact the lives of numerous other people through a life of serving and his gifts of organ donation. The Santiago family has established two scholarships for KHS Seniors (to any college) for \$1,000 each.
