Please remember that scheduling is done by computer. Placement in sections is determined randomly. Registration is used each year to determine the classes needed for the next fall, and teachers are hired according to this need. All schedule change requests must be turned into the office by the end of the school day on August **28, 2018**.

Students and parents must understand that perfect situations do not always happen and that such reasons as wanting to be in classes with friends, changing your mind about your classes after the deadline, wanting to have certain periods free, or to have a different teacher (without cause), will not be considered valid reasons for allowing schedule changes.

STUDENT SIGNATURE \_\_\_\_\_

PARENT SIGNATURE (REQUIRED) \_\_\_\_\_

**The last day to make changes to your course requests is  
April 28th.**
