# Students and Families > Need to Know > Anti Bullying/Anti Harassment

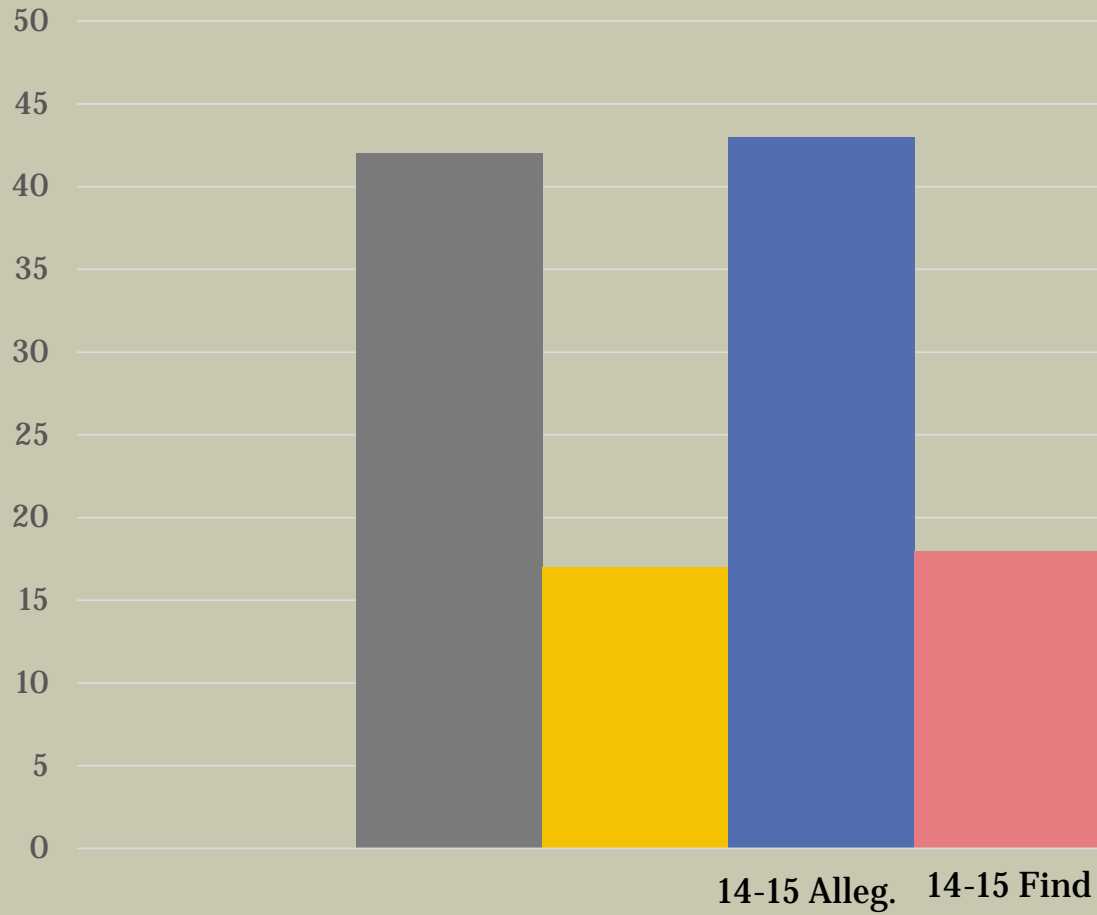

The screenshot shows the Keller Independent School District website. The main heading is "Anti-Bullying and Anti-Harassment". Below the heading, it states: "Keller ISD prohibits bullying and harassment." and "A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. The District believes bullying, discrimination, intimidation, violence, and other similar disruptive behavior are detrimental to the establishment of a safe and civil learning environment." There is a video player for "Community R.O.C.K. Video" and a "FOR MORE INFORMATION EMAIL KELLER.ROCK@KELLERISD.NET" link. At the bottom, there are sections for "Staff Resources", "Resource Links", and "Report Bullying and/or Harassment".
